Life is a gamble, so if choosing a beverage.
 ALL ALCOHOL SALES ARE FINAL.
 Choose wisely my friend!

Why is it called 1899 Indoor Golf? We get that question a lot. 1899 is a significant year in the history of golf in our home state of Ohio. The first Ohio public golf course, Ottawa Park, was established in Toledo (and is still operational today). That same year, on April 11 to be exact, Colburn Haskell, an avid golfer, and Bertram G. Work, an employee of the B.F. Goodrich Company in Akron, received a patent for the first rubber golf ball. We like to think we're keeping that spirit of innovation and community alive with 1899 Indoor Golf, a premier golf experience in the great golfing state of Ohio.
